*“Sharing my love of music with the world is my goal. I like to combine my love of country and rock music to create a bit of an edge.”*

You may recognize *Carmel Helene* from her extensive touring with *Miley Cyrus*, *Billy Ray Cyrus*, *Michael Bolton*, *Luis Miguel*, and most recently, the late *Johnny Hallyday*. Carmel has appeared as a backing vocalist on shows such as *American Idol*, *Dancing with the Stars* and many others. Carmel began her singing career doing session work for national commercials and television, and has also contributed to a number of film recordings. That led her to write, record and produce her 2010 self-titled debut EP, *Carmel Helene*.

In 2013 Carmel set out to focus on her passion of country music. Her powerful voice and exotic looks, along with her guitar driven, high-energy style caught the attention of Shatz Music Group founder, *Eliot Shatzman*. Work began the following afternoon with producer *Jim Kimball* (Reba McEntire, Dolly Parton, Kelly Clarkson, Brad Paisley, Toby Keith, Garth Brooks) to record Carmel's country EP, *New Frontier*. *New Frontier* was released in July 2016.

Most recently in March 2019, Carmel released her newest single and video, *Since We Were Young*, which has quickly turned into a fan favorite. All of Carmel's releases can be found on iTunes, online music stores and Internet radio everywhere.
